Dear Sir/Madam,

I would like to apply for **Teacher of Mathematics** or **English** referred to your job announcement posted on [www.pelprek.com/](http://www.pelprek.com/) . I am very interested in this position and I strongly believe that my education and experiences background are appropriate for this position.

As you see in my enclosed CV, I have interest to work for your school because I find that it is the best way for developing education field in Cambodia. Equally important, I have found that your school is really attractive in terms of its high quality of education and with great trust from huge number of students. Moreover, I would like to tell you that I have just graduated bachelor of Mathematics and completed English program in **Upper-Intermediate Level [Academic writing and academic reading and word list]** at Royal University of Phnom Penh. Essentially, I was a **teacher of English** for one year at **Well School**. Moreover, I am working as a **part-time teacher of English** at **Hello American School**. As a result, this job has improved my teaching abilities significantly with how to effectively manage the class, how to maintain good communication and relation with students, and how to set up the exam papers. Thus, I do hope that my combination of my knowledge and experiences be a very suitable for this position.

Finally, I am looking for a position that will allow me to use the skills that I have acquired in the courses of my study or teaching and I can be contacted by phone **089672007** or above mentioned address for interview to come and discuss this application personally at any time convenience to you. I ensure that if I have opportunity to work for your school, I will try my best and strive to do the works. I would like to say thanks in advance for your consideration.

I am looking forward to hearing from you soon.

Yours faithfully,

**OL Say**
